For this method, there's no need for 4 to 8 hours.

Okay, let's say you are dedicating 4-8 hours a day and scaling, minimum \$50 to \$100.

I got \$30 on my first day and used only 30mins to setup

1. kind of like dropshipping, but getting the items is the special part.
2. does not need initial investment
3. method is a bit hard to understand

Method looks ok, but I probably won't be using it.

Unjoker - April 12, 2019, 9:57 pm
