Hi there.

I've got tons of contacts of Sugar Daddies and I've got lot of experience in how to find good contacts and SDs.

Why am I selling here then? If you're good at something, never do it for free. And never stop yourself to earn more.

Some Proofs (you can ask for more recent):

I give contacts that pay for sure, I give real Sugar Daddy contacts or people who pay just for pictures and videos.

I teach you the techniques on how to find them, and how to make yourself believable. I teach methods NOT findable online.

This is NOT a scam. I won't bring you to ChatAvenue and some bullshit like that.

Prices:

I ask for EUR 250. And that's a VERY cheap price for what I'm giving you. For the full package. I ask for EUR 30 if you want only a small leak of it (An HQ traffic source).

PM me for more info.

Why is your proof from last year? Please update this for more buyers and to make yourself look more legit

Proof is from last year & if you were making so much money, why teach people?

Is my last month and a half enough? [imgur.com/a/mHAGJ69](https://imgur.com/a/mHAGJ69)

Btw, why does Cristiano Ronaldo have his own perfume? Why does Cristiano Ronaldo have his own shoes brand if he earns millions of euros each month from his soccer career? Answer those questions and you get your answer.

Upping the thread. Upping the thread.

Are you comparing yourself to Cristiano Ronaldo?!?

He has those companies because he's an icon and people will buy without second guessing. The same doesn't go for this service....

Also why do you have 3 posts and already selling something? Almost like you've been on this forum before

Blurry and sketchy? LOL I can teamviewer that to whoever is seriously interested in the 250 service.

I didn't compare myself to Cristiano Ronaldo, you totally didn't understand what I was talking about. I thought you were smarter, my bad. Ronaldo has millions, but he finds way to earn more. That's how life works. If you earn 1000, you want to earn 2000, you never have to stop earning in any way you can. So, makes no sense to someone if he earns some money not to earn more money in other ways. That was my point. I'm not going to print it on a paper if you do not understand at this point. This is my first time in here, I'm offering my service. You don't trust me? I don't care, get out of here and that's it. I will get no purchases? I don't care.

I'm sure this will show everyone who you are. LMAO. No more replies from me... and reported.
