SexySmexi - April 2, 2019, 11:42 am

04-02-2019 went 3-1 for discord posted pick\$\$\$\$

I make a pretty decent daily income from sports picks from a wide variety of different sports. I've been betting very successfully for about two years now. If there is anyone here who sports bets or interested in learning I am creating a discord group where I can post the bests I take daily. I make about 5-10 bets a day. I do bet and units and am willing to help anyone interested in gaining knowledge. As of now this is a free group.

All betting is always gambling and you are taking risk. I suggest to never bet your entire bankroll on a single pick of mine. I spread money out on all bets in units because I am more confident in some bets than others.

Please inquire if interested in joining the group I'll be happy to spread my knowledge with other users :)

Medusa_Medley - April 2, 2019, 11:49 am

I would love to be a part of the group. Rest of the details, we can also discuss.

boost - April 2, 2019, 12:28 pm

Have spoke with OP and he gave me a lot of info on betting (idk anything about it). Did a few calls from him yesterday and won the majority. Currently at 66% profit.

The.PinkPanther - April 2, 2019, 12:38 pm

Izzymacpop - April 2, 2019, 1:11 pm

SexySmexi - April 2, 2019, 1:45 pm

I was going to add a link to the thread for the telegram chat but since I don't have 50 post I'm unable to do so. I also have to wait several minutes in between each message I send so it may take a bit to PM every person the link. I will get to you when I can.

Thanks!

1-0 with NBA picks from OP's call yesterday. I'm about 2-9 from my own picks yesterday lol. Down about 40% from my previous total balance but still up 150% or so from my initial deposit with OP's picks.

TheFragger - April 8, 2019, 4:09 pm

Looks interesting , count me in if there is soccer !

I have not been keeping up with soccer. All picks I put out are my own picks that I make calls on from my knowledge of the games. I keep up with so many sports but I am in USA and not a particular fan of soccer so I don't normally have picks. Just American football, baseball, hockey, and basketball for the most part.
