My old sales thread here : <https://hackforums.net/showthread.php?tid=5766566>

F.A.Q

- Why Encore Miner is so expensive
 - + because it will worth the money and time, it's included the update for bypass antivirus detection.
- All the output is unique for each customer
- How long til its get detected by Antivirus
 - + Hard to say but normally about 2-6weeks
- What's if I want to refund ?
 - + It's okay, I will just block you.
- How long until I get the miner ?
 - + Mostly I will give you the miner within 24 hours, but sometimes it's take a little longer (+30 hours) or faster (within 30min)

Encore Miner Subscription : 45\$ / month
