Hi, I'm kier and i'm making this thread as i'm Making RS Video Content / free adverts for RSPS' for anyone who asks/has ideas/owns a server.

I used to charge for a similar service but not being 12 and needing pocket money, and instead being very lazy i'll just be doing it for fun.

my youtube channel can be found here:

<https://www.youtube.com/channel/UCmWqnOKYk7kFSiAf1xzCfEA>

quite obviously some likebotted/viewbotted videos from a long time ago.
most the old cod/gta etc videos were removed sad times but we do infact get quite a few views from RS content.

just send me a PM or message on on discord @ Kier#3265
