Auction

for

Xerotic Bot DNA Award

Hello everybody. My name is Xerotic and I [the full time developer](#) here at Hack Forums. I will be (and have been already!) creating plugins, adding features to the site, and improving site functionality where needed. While I am in this position I will be dedicating my time towards HF full time. In order for this to be possible, however, I must be able to earn money to pay my bills. As part of a plan to allow me to dedicate the time I will be (and have been) dedicating to HF, Omniscient has allowed me to grant the [Xerotic Bot DNA](#) award once per month with the understanding that it will be sold or auctioned each month (or granted for free/not granted at all). This will allow me to afford my rent/bills so that I can continue to pump out code and bring some amazing features to HF. Features that have been talked about for years are going to be coming to HF swiftly, but only as long as I am able to afford to dedicate all of my time towards the site.

Award

The Xerotic Bot DNA award is very rare. It has only been granted to a few members! The award will only be granted once per month and it will either be sold, auctioned, or given away. It is designed to support me so that I can support Hack Forums.

I would like to thank [Novica](#) for creating the award image.

I will update the thread with the current high bid and bidder as often as I am able to. If you are the winner of this auction you can have the Xerotic Bot DNA award granted to yourself or another member.

Hope someone goes straight for the BIN price!

I didn't know you did so much for HF. Thank you for all your services.

Omniscient - April 5, 2019, 10:34 am

Adding 10 \$10 Scratch Cards for BIN.

Nas - April 5, 2019, 10:35 am

Good luck with this, he definitely deserves it!

Pain - April 5, 2019, 10:47 am

That is pretty awesome that so many people are contributing to the bin, might take a look at this again when a few pages show up.

Sir - April 5, 2019, 12:20 pm

PMed you.

I'll throw in an award or 2 plus 1 month of my signature space.

SoulZeh - April 5, 2019, 12:32 pm

Good luck everyone, Xerotic is a hero and god.

Zexi - April 5, 2019, 2:14 pm

Good luck everyone, Xerotic deserves the BIN.

I don't have nearly enough to buy this, but i sent you some btc to the addy in your sig. Thank you for all your hard work!

iNviZ - April 5, 2019, 2:20 pm

One of the sexiest awards to buy. Xerotic has done a lot of work on HF.

Would like to see it sell for the BIN for sure. Good luck man and thanks for all your hard work.

Astrogen - April 5, 2019, 5:43 pm

Nice award from a great person. Did a lot of changes to make the better even better. If only I had enough money, I would purchase that. But since \$1k is a lot for me and I could start a pig farm with that amount (I hope I will soon), I'll just hope some else will buy this for this month!

Omniscient - April 5, 2019, 7:33 pm

I'm officially making this the last XDNA award too. If you plan on getting this award then this is your last opportunity.

Now is the time to buy the BIN.

There are only a few that have this award.

Last XDNA award and much more is included this time.

Elysium - April 5, 2019, 8:17 pm

I will start this off with a \$500 bid.

I'm surprised some award whore hasn't already jumped on this.

Since this is Xerotic's last award and he's done so much for Hack Forums me and iNviZ would like to extend an invite to the usergroup Infamous if it goes for the BIN. We are always looking for quality members within Infamous who are willing to support Hack Forums and the development of the forum. Without Hack Forums we wouldn't have been able to meet each other and establish such strong bonds.

Upon entry of the group we hold all rights to remove you if deemed not Infamous quality or you're inactive within the group. You must also follow the Hack Forums rules and represent the group proudly.

Thank you to Xerotic for everything and I hope someone buys this badass award.

You cannot offer those 2 awards because they can not be transferred.

Guess I'll need to see if an exception could be made for just this auction. I'm gaining nothing from it, just trying to help out someone who's done more for the site than most. :P

So I told Omni I'd take one for the team and sacrifice my Frog award.
