Thread: [Donation Awards Swapped](#)

Omniscient - April 5, 2019, 11:53 am

I have removed the Star donation awards and reverted to some previous donation award but I have added the K1ng award as a \$250 donation.

Enjoy and thank you.

Nice! Good update and that king award looks sick!

Makaveli The Don - April 5, 2019, 11:55 am

I gotta say that King award looks mad fresh. Good stuff.

WRX - April 5, 2019, 11:58 am

Why did you change all the awards around Omni? I'm confused why the pokeball specifically isn't a pokeball anymore?

Hacker - April 5, 2019, 11:58 am

Thank you for this... the legalize IT award is the bomb!!

?ytes - April 5, 2019, 12:10 pm

The k1NG award looks like a Gem. I personally loved the RED "Heart of HF" so much from Day 1 though.

Glad I got my Silver star in before this change. Glad to see Master Donator back, by far one of the best looking awards on the forum. Gonna have to break my wallet out for this.

Lavish Living - April 5, 2019, 12:38 pm

Will the crown and yellow diamonds' award lists stay viewable or are you planning on hiding them sometime in the near future now that they're donation awards?

Zexi - April 5, 2019, 2:04 pm

Sick! Glad you rotated them, will be definitely donating soon.

iNviZ - April 5, 2019, 2:12 pm

Glad I was able to scoop up the stars. Glad to see the benifactor award back as well.

Mix - April 5, 2019, 2:18 pm

Well, I am happy to see the stars have gone, they were not really what the forum was going towards

for new awards. But Kinda wish I got that heart sooner....
