Thread: [Opinions on SAO Alicization](#)

For a couple of weeks now I've been looking for a half-decent anime to get into and watch. Sadly Mob Psycho 100 Season 2 ended. I've watched a lot of anime over the years and I've decided to try watching the new SAO Alicization. The question is, do I start watching it?

Do you recommend watching it?

Regards.

At that point I won't even watch the teasers for it. They're just milking it at this point. Most of my IRL friends have said the same. :/

not a very good animeAgreed. I'm on episode 12. I can't be fucked to watch any more. Just boring
asf.
It's also drawn out like crazy. Reminds me of the Bites The Dust arc from JoJo's Bizarre Adventure:
Diamond Is Unbreakable ?
