Thread: [\[100\\$ BIN\] Steam Account LVL 100 / 500+ Games / lots of A++](#)

mestyc - April 7, 2019, 9:59 pm

This account is one of my personals, no jacked, no bs, completely secured and safe.

Hey there, im selling one of my steam accounts, this one's got lvl 100 and tons of good games (500+)

Some games (View screenshot for full list): GTAV, CS:GO, Mortal Combat X, All bioshocks, almost all cods...

- [Profile View](#)

- [list 1](#)

- [List 2](#)

- [List 3](#)

- [List 4](#)

- [Wallet Proof](#)

- Way too many games to screenshot them all, if want complete list PM me.

I do only take btc/eth, i'll go first if you're well trusted otherwise MM at your expenses.

The account is completely clean, no vacs no nothing.

The account has 7€+ EUR in the wallet

BIN: \$100 For the link PM me proof of funds

still looking to get this sold.

Sword - May 6, 2019, 4:15 pm

1. Can this be used in the United States?

2. What is the minimum bid?
