Thread: [WOULD ANYONE WANT A DETAILED MATCHED BETTING GUIDE?](#)

Life - April 9, 2019, 2:00 am

Hi everyone,

There is a lot involved in Matched Betting if you have never actually done it before. I am willing to make a guide but it would take a decent length of time.. I would provide images and proof of income obviously.

I have thought about making a simple free guide and maybe a paid detailed guide but I am making enough money from this as it is so if I get enough support behind it I may just make a really detailed guide about it.

Don't have much time to do it and I am not on here 24/7 only an hour here and there but I can make a Help Desk possibly and more

Let me know what you want!

FYI - THANKS TO WHOEVER GIFTED ME UB3R! <3 ? ?

ThisBearScat - August 30, 2019, 3:38 am

iv been doing this for some time now, made just under 2k on opening offers and take about 600 a month off returning offers and extra places, if you need any help doing the guide then im willing to help. PM me if you want as i can help with avoiding accounts being gubbed and just basically hints and tips of the whole proccess.

just out of curiosity how much money did you start with i was told 100 but i started with 25 and did the small offers and built it up. was a bit slower but still possible to turn 25 into 2k as long as you start with the small offers:)
