Thread: [Mixer.com Viewbot Service - Mixer Booster 4.0](#)

GarGALLO - April 10, 2019, 7:38 pm

Hello today i just released the v4 for Mixer.com viewbot service.

Here you buy a license that is linked to your mixer account and you have unlimited bots (this service runs on your pc)

Here you got the video demo and the download in the video description.

Deal with caution, in other post he "found the bot" and here he created it ?

michaeiz - May 14, 2019, 6:46 pm

anyone know if this is legit?

d3mon_wolf2483 - August 1, 2019, 7:47 pm

reversed in less than 5 minutes passwords and username to database were hardcoded do not buy or use stay safe :)

someone can steal your user and pass easily not to mention whatever other info u sign up with

Humphreys Exteriors - August 6, 2019, 4:18 pm

This worked for two days after paying 60 Dollars. Now all the videos have been deleted and it will not allow me to log in to use the app i bought the license for. LAME

Rollisaint - August 9, 2019, 3:37 am

From what I've seen videos get re-uploaded every once in a while their website is still live but can't do anything
