whats your discord? let me add you to discuss!

Sent you a friend request, accept pls

added you on disc, please accept

Teabolame - April 21, 2019, 7:08 pm

Have some questions before I buy.

I had one of my buddies do this same thing for me a while ago (June last year) and it looks like I got taken off the plan today and he's kinda gone dark since then. Just wanting to know if it's gonna work on my account since it hasn't been a year yet and I heard somewhere that you can only add one family account a year.

rekosin - April 22, 2019, 9:06 am

hey bro are you still selling ...if so can I buy
