1. I will not be going first.
2. Payments must always come from balance.
3. I will trade with new people.
4. You may use a middle man.
5. I prefer conversations, not private messages.
6. All of my accounts are fully verified.

-PayPal: 12-20%

-Cash App: 12-20%

-Venmo: 15-20%

-Zelle: 12-20%

-Apple Pay: 15-20%

-Online a good amount of the time, willing to workout deals the more you come along.

DISCORD IS pro-#3247 ?

I will not ask to make any deals with out a contract, be weary of people with a similar discord.

Also will be buying all BTC for 1:1. So HMU if you need to dump off some coin!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
