Can't decide if I want to binge watch the season or watch an episode and then wait a week. YES I'm excited!

Yeah I can't wait. Sad that it's ending tho.

I can't wait any longer tbh but it sucks that this is the finale. I'm guessing they end up defeated or something in the end to the ice guys lol. It'll probably be a shit ending.

Ending was weird as hell though is there actually still a wall left or any enemies from north of the wall. Either way check out the Game of Thrones T-shirts here:

There is said to be 3 spin-offs to the show though. ?
