Well, how many of you have watched it?

I don't know. It seemed to me all that 550+ odd days of waiting for this season, and the first episode was one hell of a dragged reunion ceremony.

Duh.

Now, I want to watch the second episode. ?

Didn't watch it.

Never watched the show.

How does that make you feel?

I agree exactly. But I'm sure there's plenty of greatness to come :)
