Is the buyer protected under a warranty if they're banned?

Why would you want a warranty if you suck too much to play legit ?

Thats like a bank robber wanting a warranty if hes arrested.

Just get good. Watch Shroud, Chocotaco and DrDisrespect.

Lmao, why are you on this thread if you aren't looking for a pubg cheat. Or are you just looking for a reason to feel better about your "skill" towards random people online?
