Thread: [Windows RDP](#)

Sharjah - April 17, 2019, 1:50 am

Looking to buy a windows RDP. Let me know if you can help me or lead me to the right direction

Need it to have .Net 4.6.1

[contract=tid]Start Contract[/contract]

Pmd everyone who replied. Still looking:

I am looking to run a autoclaimer/turbo for epicgames.com with a fast connection

Jailbroke - April 17, 2019, 3:15 pm

Routerhosting.com is instant delivery and cheap. I use that to run something similar to you.

For your info, I think you have not PM'ed me yet. :(

Any objection? :)

The guy is a scammer don't deal with him.

The rep reset kinda made him look clean now
