Hi All, My partner is travelling today so I will be handling the winners. There were 12 entries that I see here. I appreciate those 12 entries as it shows an active interest in vpn services here on HF. I'm going to pick 6 winners instead of 1 and I will private message those 6 winners with a gift code they can use on the website. Both my partner and I appreciate all the entries and to those 6 winners we wish you the best of luck in your endeavors.

For those of you interested in seeing what locations we have available, you can see those here:
