Thread: [What is your record for longest binge marathon for anime?](#)

RedCupcake - April 19, 2019, 4:55 am

Mine is 48 hours. I passed out during a long binge marathon of fairy tail.

GnosticPlayers - April 19, 2019, 5:49 am

I've only managed around 3 days (Don't remember the exact amount of hours). Binged Dragon Ball <3

ShinyThings - April 19, 2019, 5:53 am

I heard a guy died of boredom after 48 hours... Anime kills..

banonkiel - April 19, 2019, 6:09 am

and I thought of myself a complete weebo for doing a 6h back-to-back to finish 12 episodes.

Elweth - April 19, 2019, 7:18 am

Probably 32 hours of One Piece, I was at the Marineford arc then.

SIM-4207234 - April 29, 2019, 11:41 am

Not much but probably 24-28 hours, one piece

ss2k - April 30, 2019, 8:15 am

When I was younger I used to watch anime for 10h some times but over time it started to bore me and now I can't do it for more than 1h.

N1ghtm4re - April 30, 2019, 2:43 pm

Probably like 4 days. Back when I was depressed I watched Angel Beats -> Air Gear -> Kenichi the Mightiest Disciple, it was truly an experience. Not sure what came after those three but yup.

Jiren - May 1, 2019, 5:35 am

I can only watch a few episodes before wanting to do something else :D

Highest is probably 5 or 6 episodes

There isn't an anime division anymore Samaritans had a refreshing. Go check it out!!

SIM-1349466 - May 4, 2019, 3:37 pm

I've watched all 291 episodes of dragon ball z, beginning to end over to course of 2 weeks plenty of times. Not sure what the longest binge was.

SIM-3970461 - May 5, 2019, 9:47 pm

I binged fairy tail. I don't know how long though. :(

Viyirus - May 11, 2019, 3:59 am

Don't exactly know how many hours, but binged 24 episodes

f666 - May 11, 2019, 5:41 pm

I guess 11h? Not really a huge amount but atleast i got a bit of anime done.

ClarenceGD - May 19, 2019, 6:02 pm

binged most of one piece shit was wild!

Weebex - May 19, 2019, 11:00 pm

Longest binge was watching the whole Monogatari series. Not sure how long that is though.

Admire - May 19, 2019, 11:25 pm

Also fairytail and maybe like 12 hours? I never was a big TV fan until gaming slowed down for me.

MS80 - May 22, 2019, 1:31 am

And I thought I was an otako LOOOL

I think my longest time was 8 hours or so

Kimitoh - August 29, 2019, 8:59 pm

I used to watch alot but not anymore shame

ET_Advice - September 7, 2019, 12:54 am

About 30-35 Episodes a day every day for 6 Days..

Pretty much got Katekyo Hitman Reborn (203 Episodes) done in less than a week..

Mr. Corleone - September 14, 2019, 3:33 pm

This week I watched My hero academia 1, 2 and 3 in 3 days.

I think it's around 63 episodes in total. I was sick, so I just binged it.

When I was younger and I had summer vacation, I would just binge the entire summer vacation watching anime.

Waking up > Anime > Gaming > Sleep, and repeat that.

I didn't have any friends then hahaha :D

pein - September 14, 2019, 3:47 pm

well i watched some netflix ones for a change, like 7sins and Sword art online, isn't really bingeing but spent most of my time on it

i watched akame ga kill at once, i mean i can do 16 hours easily on any game or animé i like
i never really check time and im chaotic enough to not care, i think around 32 hours awake is most i did
