Thread: [4/20 Legalize It Award Sale](#)

Omniscient - April 20, 2019, 12:13 pm

Happy 4/20 Day to everyone.

Just like last year I'll open up the award to multiple purchases at \$25 each (1/2 price).

<https://hackforums.net/buyawards.php>

You do have to buy them one at a time so it's not so easy to just stack 20 of these.

Sale will last for about 24 hours. Enjoy.

Deal - April 20, 2019, 12:14 pm

I'll grab one, thanks! ?

Cameron - April 20, 2019, 5:54 pm

If you want to get multiple awards, do it the following way, will save you so much time.

Say you want 6 awards:

Send a bit over \$150 directly to your CP wallet. Now when making purchases with BTC or whatever currency you want you can choose to "pay with balance" this will save you time and money as you don't need to send all individual transactions. Plus, you won't need to wait on confirmations each time either. Will literally only take a fraction of the time as it would if you were to do each one individually.
