Those keyloggers are outdated, none of features work properly, try buying a paid keylogger, by the way soon i'll release my keylogger, or buy in keyloggers section.

okay friend i know that i feel sorry about this but now i really want to know about this sorry if you can't help me

B FOR BADASS - April 23, 2019, 6:09 am

Checkout Orion or Falcon. Thx

Katana666 - April 23, 2019, 9:38 am

Does this keylogger bypass key encryption, it would be kinda cool if a logger could do that ngl

ombudsman - April 24, 2019, 12:15 pm

I don't think it can pass it at all

EDUARDUBERAS12 - April 25, 2019, 6:57 am

badass? how can i sure this is not a scam ? i'll buy a logs from you later but i just need to sure it this is not a scam
