I traded him the 35m OSRS GP. He then simply logged out and blocked me on everything. Clean scam. DO NOT deal with this member under ANY circumstances. He will scam you. Been on here for 8 years now and its still hard for me to tell if someone is a scammer vs not a scammer. Will provide proof if needed.

No real signs he is not legit to me. Damn it sucks, maybe that is why he was selling gold himself. Must have scammed a bunch. Good luck man.
