I'm selling this guide/e-book for just \$1.

No fancy formatting it is just a plain guide for you to use - therefore only \$1.

For anyone who doesn't know exactly what's included with a .EDU email account please read below:

You can use a .EDU email account to access student discounts from official programs at Microsoft, Autodesk, Adobe, Apple, Namecheap, Amazon PRIME & AWS plus a few more.

I accept Paypal, BTC/ETH and almost any other crypto. Just initiate a contract if you'd like to purchase the guide!
