I know a few methods that gray hat that makes a lot of money. I got some blackhat methods but they are all risky....

zealNpossession - April 22, 2019, 3:26 pm

Why don't you try Native or FB blackhat?

I can hook you up with some offers that are doing really well right now, even for me!

blackhat - botnet shit i guess, exploiting sites
fraud - stealing credit cards, tax fraud, crypto fraud

blackhat is how you got the cards, fraud is how you are using them

BITCHLESS - May 23, 2019, 12:12 pm

Looking again for this, hit me up

What kind of method are you looking for? Blackhat, I know. But can you be a little more specific?

mObile - May 23, 2019, 4:43 pm

What's more BlackHat then to get paid for hacking websites?

This is Hackforums, doesn't mean you don't pay for the services you take lol.
You have to pay for the advertisements lol, ofcourse
