What is the process like for something like this? Are we buying the method or are you renting the place for us and taking a cut? Also, I would like to see someone get a vouch copy and a little bit more information be revealed. This thread is unbelievably vague.

Has nothing to do with stolen CC or anything BH, its legal.

Only way you can do this process is the method I use (legally anyway)

Idk, sounds like an exit scam/super sketchy but ok
prntscr.com/nhp7x1 - sounds like OP is trying to make excuses up.
Also considering you have no positive B rating and using shitty excuses to not show proof pretty much backs up my accusations.

OP is not interested to prove if anyone has bought this neither is interested in handing out a review copy, so we all know what that indicates towards. He has no contract history of anyone buying his first slot from him from HF, unless he found a fish to catch on his hook who didn't use contracts but I doubt that.

OP, im guessing you're still too busy to get in touch with.

It's very difficult to give a vouch copy for free, because as soon as someone gets it, it has potential to become saturated, so I can see why they didnt want to state about it as they paid a lot of money and dont want it ruined.
