Noragami Aragoto opening, Kyouran Hey Kids is what I live for

The new Steins Gate 0 opening Fatima has really gotten into me

Evangeliion's Cruel Angel Thesis always seemed like a good song to me but every time I hear it, it gets better. Also checkout this parody

Your Lie in April opening 1, Hikaru Nara, I simply love it

Fairy Tail Zero opening (FT opening 22) Ashita wo Narase is my freaking jam. Love the video sync at the start and the end
