Great guide, easy to follow and perfect for anyone looking to secure their PayPal account. Just follow the book and you'll be fine. Don't do anything stupid and think before you actually do certain things!

I had this book from a while ago, is it still 800 words (1 page) stretched on to 40+ pages with huge font or is the format changed?

thanks a lot sorry to bother you but:

does shoppy or Paypal check what I'm selling to get me banned?

if someone wanna buy customize product that i don't have on shoppy can i add a product for that amount and after he pays i send the product manually to him later?

One of my customers do have an account Shop , he actually left a review on this thread, he has no Issue receiving money from selly/gg or shoppy

Id recommends you to use selly.gg

No you wont get Limited like that , its not how it works .. Stay away from this thread guys if you think it works like that open a new thread on marketplace discussion for that..

I have plenty of customers who use selly.gg/shoppy to get payments and there accounts hasnt being banned..

Will this method be able to help me with the following-

1. Run and use a USA pp account from in Asia.
2. Use my paypal to sell items on ebay.
3. Not limit my paypal and ebay (i guess if paypal keeps working then ebay should work with it too).

Really interested in the method

whit3 - May 29, 2019, 8:06 am

I got a vouch copy from the OP and reviewed the product.

1. It is detailed.
2. Not complicated.
3. You don't need to read everything if you have some knowledge (it has neat headings, so you can go to the relevant subject directly).

4. You can easily apply it.
5. It doesn't require much money, you can easily get your PayPal.

Stanley - September 29, 2021, 1:39 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
