Count me in for this contest! The picture below, not only represents my favorite food when high, but it's actually taken when I was high. I took it from my Google Local Guides account and I'm proud to say that it has been viewed by 25k people! The name of the burger was Juicy Lucy Burger and I ate it in Pax Homemade Burgers, located in Thessaloniki, Greece.

(sorry for the big image)

u?op ?pisdn - April 25, 2019, 3:19 am

You really think that us stoners go to expensive restaurants over buying weed. The only restaurant I see after hitting the blunt is my kitchen, most of the times I make this:

Kosmos - April 25, 2019, 3:23 am

Great contest! I've always wanted this award.

Here's some boneless chicken wings from my favorite restaurant, Buffalo Wild Wings.

Astrogen - April 25, 2019, 3:23 am

I don't eat a lot of expensive food. But here's my taste. I love this "Inun-unan" especially if it's already 3 days+ old.

A total bliss after a doobie...

Tres leches milkshake at Bocas House

The tres leches milkshake (\$15.99) is made with Venezuelan chicha (a rice pudding drink) topped with ice cream in a waffle cone crowned with a slice of tres leche cake, all bathed in condensed milk. Each milkshake comes with its own plate and spoons so diners can deconstruct and eat what is actually three desserts in one.

Cunt - April 25, 2019, 4:59 am

When i'm at home and i want something to snack i'll grab some Oreo Joyfills. Addicting as fuck.

Spoiler [\(Click to View\)](#)

Dominos is right around the corner (And it's free since i work part-time at their store.)

Cheese bites. Amazing shit when you're stoned. Especially with some chili sauce (Only 0.25 Cents). Score.

Spoiler [\(Click to View\)](#)

And of course. For if i'm really hungry and the munchies ain't talking i walk to the dominos kitchen and make Dough balls filled with mushrooms, jalapeno peppers, emmenthaler cheese and onions.

Made those bad boys myself.

Subway. Sweet Onion Chicken Teriyaki with extra sauce. Chicken breast with pepperoni toasted, tell them to sprinkle some Parmesan on that bad boy with mayo and chipotle sauce on it or something... Just pick something. I love me some Subway. I can spend 30 minutes making Ramen noodles too. Cook with ranch so it has a heartier juice. Teriyaki sauce, taco bell fire sauce, soy sauce, Parmesan cheese, steak seasoning, Papa Johns garlic butter, salt pepper, crunched up Doritos on top. I got stoned as shit and was a broke ass college student and made 2 batches of those Ramens, 30 minutes a piece. Best Ramen you will ever have haha
