Thread: [Selling 900k FIFA Ultimate Team coins for Xbox.](#)

???????????Michael Kors - April 25, 2019, 9:22 am

I'm quitting the game so I want to get rid of them.

I'm asking for \$50. They generally get sold for \$8-9 per 100k coins on Reddit, so it's a fair price. You could easily resell them and make a profit.

PM me before starting a contract.

These can only be used on Xbox. I forgot to add that to the OP.
