Thread: [Opskins alternatives](#)

mikezpro - April 27, 2019, 7:50 am

Yo guys i've been out of the scene for a whole and I'm looking to sell some skins for extra €€. I used to sell through opskins but I can't list any items on there? Are there any legit alternatives? I'm looking to cash out to my bank account. I przfer to avoid using PayPal tho.

int - April 27, 2019, 8:26 am

bitskins is a popular alternative

zabadih1234 - April 27, 2019, 8:26 am

Skinbaron is actually rly nice

JW1337 - April 27, 2019, 9:22 am

bitskins is super legit and very easy to use, i highly recommend it.

skinbaron has scam tier fees iirc

SIM-3970461 - April 27, 2019, 8:20 pm

bitskins.

i use them all the time and have 0 troubles.

SIM-4215248 - April 29, 2019, 6:08 am

Can also recommend Bitskins & Skinbaron.
