Thread: [\\*FREE SHARE\\*-IMEI CHANGER/Firmware reinstall and much MORE!](#)

.?.ZyL£.?. - April 28, 2019, 5:28 am

Hello guys!

I saw here many theards about searching imei change for mobiles and something like that.

I'm in jail now and in my situacion we have phones(Not legal) but police have blockers so they block imeis...

After long search i found good working imei changer and many more tools no need any boxes for change!

I use it about half year.

So i wanna present for you Chimera!

Yeah Chimera is a pretty good tool, but it is expensive.

If you dont mind me asking, what are you locked up for?
