FAQ

How can I contact you for bulk? - Pm here or Discord : Lodelux#2250

How long do the keys last before activation ? - Keys last virtually forever before activation.

How long do the keys last after activation ? - Keys are lifetime.

What type of keys are these ? - 1pc / 5pc / 10 actual keys (not shitty/cracked accounts) that can be re-activated on the same the device. and may require phone act. (guides are provided to know how that is done)

What warranty do you provide ? - All keys are checked at moment of selling and should last for a long time, however we provide replacements / refunds for all keys within 1 month

Please note that keys only work on Windows and may require phone activation.

VOUCHES AVAILABLE [5/5]

T.O.S

Refunds only if the licenses do not work (phone activated keys are considered as working)

I do not accept any payment methods other then the ones specified before

I can change these T.O.S whenever I want

Can you be banned for this on Ebay or other sites? Is there any legal recourse that's likely with Microsoft or the selling company?

If not, this looks like a good buy.

I hate it that you have so less activity here but i must admit that this looks really good.

Is the supply/stock unlimited or will we face stock issues at one point?
