Thread: [My dog is a huge slut and it's frustrating](#)

Celibate - May 6, 2019, 9:09 am

She's about 10 months now and I started taking her to the dog park a month or so ago, EVERYTIME it's busy at the park my dog gets bumped at least once. I've tried putting a stop to it but it's extremely difficult to separate dogs bumping. Try it. It would be easier to pull them off each other if they were fighting. So basically i've got to stand there and wait for them to finish....

Don't get me wrong, I love my dog but I'm thinking I may have fd up getting a bulldog... They've always been my favorite breed, however I was thinking more along the lines of playing ball with her, not watch her get bumped. How long does a dog stay in heat for anyway? I thought they go through cycles every so often.. what should I do?

This one really tipped me over the edge, there is a line up to have a go on my dogs snatch.

Need your HF name on a piece of paper in the picture or it isn't your dog/picture ?

I did laugh tho ?

Dope - May 6, 2019, 9:55 am

LMFAO hahahah, this made my day.. first when I started reading this thread I was like oh, okay interesting and then I saw the picture. Have you ever talked to the other dog owners? I would pay to listen to that convo lol.

Good luck with your doggie <3 hopefully she'll stop being a slut.

aye4life - May 6, 2019, 10:00 am

Tell the other owners your dog has AIDS, but only after their dog has finished up. I doubt they will let it happen again. Failing that, just batter the other dogs with a dog chain.

Zeus - May 6, 2019, 10:15 am

Naaa i'm actually done piled ontop LOL

Psychedelic - May 6, 2019, 10:28 am

Damn, that dog is really getting stuffed. If your dog is spayed, then just let it happen maybe? If she isn't spayed then maybe get her spayed, jk it's just a meme. As someone else said, seems like your dog was robbed of her virginity also.

IniGo - May 6, 2019, 10:42 am

Lmao, your dog is cucking you. You pay for the expenses and bring it to the dog park and all it does is getting fucked by other dogs.

Jk man, hilarious post. I can't help you with that problem though.

Aithan - May 6, 2019, 2:02 pm

I cant believe this is a real thread lol.

Your dog problem also applies to anyone whos ever had a Daughter.

Imagine raising a child for 16+ years only to have her plummeted by some random dude.

I'd have a GPS installed on her car so I know where she's at all times

Only thing I can think of is getting an electric collar, so when the dogs start piling you can activate it, give em bit of a shock.

No i'm not selling this method yet

Do you know how embarrassing it is watching your dog get railed by other dogs?

It literally feels like I'm getting cucked in front of all the other dog owners
