Thread: [FREE TURBOBIT ACCOUNTS](#)

sadeceoyna98 - May 7, 2019, 10:42 am

Hello guys,

Normally i am selling filehost accounts. I have extra accounts in my hand. I can send 10-15 accounts from who replied and +rep.

My account is under 25 post, so i cant pm. If you pmed me, i will give you.

What are these filehost accounts for and does it usually cost money to be able to create the account(s) in the first place? Thanks, cheers!

Oh okay cool. I guess with Google Drive and the other free services, not too many people look for file hosting. Is this web hosting or just like dropbox premium. And I'm PMing you now, thanks
