That's awesome of you for opening this service for HF users. Thanks so much! :)

What payment methods are you able to MM for? (PayPal, Cashapp, Crypto, Etc.)?

Any methods. But I'll only HOLD(during the transaction) any crypto and Venmo.

I will be joining DOG as a partner. We will be reviewing products individually, so anything that I get, will not be shared with anyone else, vice versa for DOG.

Nice of you offering free MM services.

Just a quick note however about your review on the E-whoring service, the link you gave directs you to the product page and not to your review.

Your review is here: <https://hackforums.net/showthread.php?tid=5969767>

DOG - April 18, 2022, 12:07 pm
