Thread: [24.99\\$ Instagram Growth Service for free.](#)

123 - May 7, 2019, 2:07 pm

Hello Guys,

I never thought I would ever get a chance of holding a contest coz I'm not a "rich pleb".

Long story short, Vinnzard held a contest a while ago for this service and I won. But the account I wanted to grew got disabled by Instagram due to copyright violations reported by shit company ViralHog, LLC.

I have asked permission from Vinnzard if I can nominate someone to avail this service for free and he said yes.

The dude got vouches on his thread and seems good.

If you would like to grow your Instagram Page with his service, you can enter this contest by posting below. Nothing else required.

Anyways, you can check his thread [here](#).

I'll ask Vitani to choose the winner after 24 hours. Thanks !!!

I won his service before but never used it because I didn't want to give out my login information. I should have done this, too! But I'll enter. :)

I'll enter this, I have a new account that I recently started and I think it would be great to see it grow.

Good luck everyone else who enters!

Kind regards,
Volt.

I'll enter this, just started an instagram page related around weed. Reached 300 followers today and everything seems to be going alright. Would be nice to get the extra help as I'm a complete noob still.

Cheers

I would also like to enter this contest, got a good 2.5 personal/dog IG and a 300 IG with weed niche. This would help me out a lot!
