UPDATE:

Today's earnings so far from running this 7hrs straight

TheBlueSuede - May 9, 2019, 1:23 pm

I just wanted to give another update.. I withdrew everything this morning from the account I was using, which I posted a SS of the earnings in my previous post. I then created a new account and deposited \$100, just like I did with the account yesterday.

This is my earnings so far after 10 hours.

So in total, thats .03294301 or \$198 in profits in 24 hours.
