Thread: [Free 7 Bytes for Everyone! \(Get your lucky 7 bytes now\)](#)

debian - May 9, 2019, 9:56 am

I'm giving away 7 free bytes to everyone that wants some extra good luck!

Rep is not required of course, but I wouldn't hate it ;)

All you need to do is post here (please don't PM me) and I'll go ahead and send you some free good luck (aka 7 bytes).

Offer is good until I'm out of bytes.

Cheers!

If you click on the bytes symbol in your own profile where it shows you how many you have or if you search these things in the bar at the top you can find out for yourself. In the meantime I have posted the FAQ post that comes up:

MYPS FAQ

What are Bytes?

MYPS is a Mybb Points System we use for member rewards. It allows for members to earn points for various actions on the site. Currently this site has its points named as ?ytes.

Here is the key which will explain how many ?ytes you earn for each action.

- 3 ?ytes Per New Thread
- 0 ?ytes Per Character
- .2 Earned ?ytes For Thread Starter On Each Reply
- 1 ?ytes Default On Signup
- 2 ?ytes Per Poll Creation
- 1 ?ytes Per Poll Vote
- 0 Min Characters Required

The following forums are exempt from recieving ?ytes:

The following groups are exempt from recieving ?ytes:

Donations of ?ytes must be enabled by forum administrator. You have two methods to donate. One is via the postbit and the other is from the profile. Both methods will bring you to the same donation page which allows you to enter the ?ytes you wish to donate along with a reason. The person will get a confirmation of the donation along with the reason in a PM.

History is available to view from your usercp. You can access this as ?ytes History under Miscellaneous.

Statistics of the richest members can be viewed from the forum statistics page. The link should be on the index page on the bottom right.
