I haven't come across a single PDF that worked for me

dcn.cristi - July 4, 2019, 2:39 pm

Cool. Anyone who used it and works though?

Mynol - July 5, 2019, 10:56 am

Ok guys!

Let me try this.

Give me your direct download link to your EXE file. And I'll try to exploit it into PDF.

I can help you on PDF or OFFICE exploits but not for free.

Need to provide which CVE you looking for or what kind of vulnerability.

PM me.

Search the github for tools with training

Please add other methods

Of course, you have to find the newest ones

this is real 0day its RCE exploit type of vulnerabilities is Heap-Based Memory Corruption due to Malformed TTF Font the payload and pdf get loaded into the heap and EIP somehow gets its value to point into that heap area , it does not need any user interaction

this only real adobe expl that exist and it bypass adobe sandbox as well

it affected :

Adobe Acrobat and Reader versions 2020.012.20043 and earlier

2020.009.20074 and earlier,

2020.001.30002, 2017.011.30171 and earlier,

2015.006.30523 and earlier

video : youtube.com/watch?v=ADfEkWP62PQ&feature=youtu.be

can provide TV or anydesk demo

guys, stay away from this fucking SCAMMER!

he scammed me for \$200 & I have all the proofs if anyone needs

and btw, here's his previous account which was banned recently for ban-evading/scamming!

silent exploits doesn't exist nowadays. all websites, videos, live presentations you may see online are just poor scams. dont be a fool.
