Edit: Nevermind didn't see your last post.

I received a vouch copy. Here's my review:

I did not test this method yet, however, as someone who has reviewed a lot of money making methods on hackforums.. this does look promising. The money you'll be making is actually a consistent number as well which is a plus in my opinion. Also, it actually makes sense to me that the OP is selling this method to spend more on the method it self. With a big capital this could be insanely profitable.

I actually do want to try this, so I will edit this review if I see results. Thanks for the vouch!

Wre©ked - May 9, 2019, 6:42 pm
I have yet to try this method but I can 100% say I am very excited too. I have seen, sold, bought, and reviewed many methods and I have not seen anything like this before. This is a must-have, especially for the price tag. You seriously can't go wrong. I see this being very very profitable. The more you put into it the more money you will make.

I am going to be starting this soon and will update once I receive funds. Definitely has my vouch.

Also can you accept my vouch copy contract? thanks.

Just purchased the method, I'll leave my review once I get my copy.

Tech?NO - May 9, 2019, 7:39 pm

I've had the chance to receive a vouch copy and here is my honest review.

To avoid giving away any sensitive info, I'd say that the provided technique will most likely work, but please keep in mind that a small investment is required. The bigger the investment is, the profit is higher. From my understanding there is no risk involved. I will try to set this up in the next couple of days and keep you updated. The method worth the 20 bucks.

Regards!

Hi, What payment methods do you accept to pay the \$ 20?
And about the method, minimum withdrawal? Payment methods? Time dedicated to the day?

Is this a gambling method? I will like to know O.P. As I am interested.

Royal ! - May 9, 2019, 10:48 pm

Yeah, I think so. You thinking maybe the method was illegal in some way?

BathingApe - May 10, 2019, 1:05 am

I want to give an official review of this method. Let me know if any more vouch copies are available.

Didn't receive it.

evelution - May 10, 2019, 6:17 am

Purchased

First I'll say that this is the most unique method I've seen on HF. It's completely whitehat and should be fairly auto pilot. I haven't tried it yet, but can see that it should work. And the more you put in, the more you get back. I believe in the guide op says you'll double your money in 15-20 days.

I don't want to give away the "secret" but there is a gambling component here.. but don't worry, there is zero risk because you actually are trying to lose!

I will follow up in some days after I see some results. But most definitely worth the price of admission

(May 9, 2019 10:54 PM)Surviving Wrote: [\[CITE\]](#) Yeah, I think so. You thinking maybe the method was illegal in some way?

How can you tell?

I purchased and not illegal at all.. seems legit.

yui777 - May 10, 2019, 7:00 am

? ? ? ? ? Yes got banned cuz they said i promoted discord, I didn't start the discord yet so banning me was a fast choice, you should just tell me, anyway I will not start the discord anymore.

please wait for me the ban will be lifted on 16/5/2019

is there anyway the ban be lifted now????

(May 9, 2019 10:54 PM)Surviving Wrote: [\[CITE\]](#) Yeah, I think so. You thinking maybe the method was illegal in some way?

no not illegal I got banned for promoting a discord "that I didn't start yet" and I guess will not, ban will be over in 6 days, be patient, and for the people that got the vouch or purchased please leave your reviews and enjoy the method 6 days earlier than everyone else, no resell or you will lose updates, cuz there is more to it than you think :)

With the method, how much can you make a day? im fine with 3-5 if its very consistent

y389525 - May 10, 2019, 11:20 pm

Looking at some of the reviews given especially when one of the contracted customers said that "there is zero risk because you are actually trying to lose", I think I can't confirm its just a suspicion that OP MAY be selling a method which was leaked from another forum. GLWS dough.
