"Earn Upto 1000\$ a day by Doing Nothing Best Autopilot Methods to Earn online" > Sells it for \$39.
GG.

This must be the most nostalgic and typical title ever. Thanks for bringing back memories.

Claiming that a user can make up to 1000\$ everyday, imagine if he does this for a year? That equals out to 365,000\$ and youre selling it for 39\$? I refuse to believe that buddy, if youre offering vouch copies, I would love to take one. Otherwise, unless a reputable user leaves a review, I doubt anybody with a brain would buy this. Good luck though!

Q: Does it Require any invesement?

A: some methods require 50\$-100\$ investment to start earning, but you can start without any investment

.... so is it 1 method, or is it several?

And I take it, that the 1000\$ was just a typo to begin with?
