Thread: [Public apology to the user @Vanilla-bean](#)

Celibate - May 10, 2019, 1:06 pm

I just wanted to publicly say that I'm sorry for bamboozling you and I hope you still be my friend.

Some of you may know that I am no longer a member of Entropy and it hurts bros it really hurts..

He isn't buying a group by the looks of it ?

That's the reason he's apologizing

Is there a limit to how much you can put on, because that's crazy.

Imagine winning like a million.

Psychedelic. - May 10, 2019, 5:51 pm

143k bytes is pretty insane. I had 75k and sold all.

It was instant too.. when you hit anything else it's a byte counter that counts up. Pretty cool!
