Free Spotify Upgrades

Post here if you want a spotify upgrade and I'll PM you asking for your e-mail and country to have the upgrade sent to. This is completely free for anyone with a HF rank/award to pay back a little for you being a HF supporter! If you don't have a rank and want a spotify premium account then financially it is better to buy a HF rank and receive the free spotify upgrade then buy spotify!

Spotify - \$13/month
HF L33t - \$15/6 months

The upgrades will usually last much longer then 1 month, so get donating!
