Thread: [What did you do today?](#)

Mix - May 11, 2019, 6:50 pm

So today I have been at work for a good 11 hours and well I feel out of it. Then I left work and drove for an hour to the Mrs house and well I just feel shattered But I just wanted to see what everyone elses day is going like and what you have done.

I'm not going to stalk you all don't worry.
