Do you know of any shows that had a good start but ended badly.

Sheep - May 13, 2019, 7:32 pm

Dexter is a good example of this.

Graceland was a really good show in the beginning and then it just got progressively worse in the last two seasons. I think they eventually cancelled the show

The 100

It has not ended, but it is starting to get very dark, depressing and every season there is some sort of ending that ruins the whole show for you and characters

Yeah it would have to be Lost the final season was utter shite ?

Bacardi Cola Lime - May 15, 2019, 6:36 am

How I Met your Mother, Dexter, the 100 and I have a feeling that Game Of Thrones is going to be added on this list. Not that bad of an ending, more like a lazy one.

Yeah it's a great series if you can deal with having your favorite characters being killed off and heart breaking cliff hangers at the end of each season.

campusminger - May 15, 2019, 12:49 pm

Game of thrones , no wonder why there ratings dropped down because of s8

Prettykitty - May 15, 2019, 2:56 pm

Kind of have to agree on the Dexter part.

CosaNostra - May 15, 2019, 6:17 pm

Dexter. It went downhill after season 5.

Roytoy - May 18, 2019, 2:21 am

How I met your mother, Heroes,

Vuln - May 18, 2019, 2:42 am

Lost. The first few seasons were great, but they screwed up the last ones.

Would you recommend watching it?

I definitely recommend season 1-4, but you might want to stop watching after that. I wish that I did.

You will know once it's too late.

S2K - May 18, 2019, 8:47 am

I'm surprised that only one person mentioned game of thrones :p

Most of the people don't like the last season but tbh it wasn't that bad nor so good. I wish it would be more seasons

?rescent - May 18, 2019, 8:52 am

Manifest. That shit dragged me on then left me hanging.

Tpot - May 18, 2019, 9:28 am

Dexter, I still love it though.

Pyro - May 18, 2019, 6:06 pm

Prison break for sure, one of the most stupid TV shows I've ever seen

Cocaine - May 18, 2019, 6:18 pm

The 100 for sure. That show ended gay asf.

Same, big disappointment lol. It could have been a crazy show but no... and the main actress is faceless as fuck.

Spaark - May 18, 2019, 11:26 pm

CSI: Cyber

Absolute trash heap.

The Walking Dead

Absolute trash heap.

Prison Break

Absolute trash heap.

Orange is the New Black

Absolute never-ending trash heap.

Only notable ending that comes to mind that I really enjoyed was Person of Interest. (breaking bad was g too)

Dr.BrokenGod - May 19, 2019, 1:50 am

Am I the only person who when start something they either like it all the way to the end and just take it as a artistic vision of some script writer somewhere who did his best under pressure from some asshole greedy producer or company.

If I liked something in first episode then I love it to the end. Some series get better some get worse but nothing got extremely bad... Yeah I am just messing around

WALKING the FRICKING DEAD!

deformat - May 25, 2019, 5:27 am

game of thrones I just dojnt get how they ruined it, it was such an easy show to make

saams - June 2, 2019, 7:09 pm

in my opinion game of thrones ended badly i dont except this ending.

Game of Thrones mate :)

Alien - June 12, 2019, 1:25 pm

"Revolution", "Zoo", "Suvlvors"

all three incredible shows every season was great.. but stupid ass producers had to cancel both of them and you don't find out about it till the very end and you feel like you wasted so much time.
