ZwClose - May 13, 2019, 10:21 pm

Screenshots:

Spoiler [\(Click to View\)](#)

What are the specs?

- [+] Anti-Environmental
- [+] RunPE w/ x64 Support
- [+] Encrypted [RC4+XOR]
- [+] EOF support (stored in dbg segs)
- [+] No additional Dependencies

Project I'm planning on releasing, it comes with a metaphophic'ish stub, depending on anti virus. private has true.

PM me for download link.

Fehvah - May 14, 2019, 1:22 am

I'll take a download! Good luck with future actions with the project though.

ScrubspooF - May 14, 2019, 4:48 am

Sending you a PM now! Sounds like an interesting project.

Vinibi90 - May 14, 2019, 4:57 am

Wanna try this out, thank you

Knight King - May 14, 2019, 5:10 am

Sent you PM. I'd like to give this a test.

duplex - May 14, 2019, 5:15 am

I'd love to have a try of this, pm'd!

W4114C3 - May 14, 2019, 7:05 am

May I get link. Thanks in advance.

poulka - May 14, 2019, 7:09 am

Mp Thanks in advance. projet

Fr33d0m - May 14, 2019, 7:56 am

I'll send you a pm but very interesting project! GOOD LUCK ?

foxnot90 - May 14, 2019, 7:59 am

im interested,gunna send you a pm now.

shrixythong - May 15, 2019, 2:31 am

Can't send PMs yet (although Im in this forum for a while) would love to have that download link :)

*****Wolf***** - *May 15, 2019, 4:17 am*

I'd like to test it , seems promising , send now a PM!
