Ask, and ye shall receive. Knock, and the door will open. If you ask, as if you want, and knock, as if you want to enter, you may be offered the chance to improve your life, a little; a lot; completely—and with that improvement, some progress will be made in Being itself.

= I've sent it... are you going to do something with it or would you rather look for another get rich quick scheme? That's the question that you must answer.
