**Nadisty** - May 14, 2019, 2:54 pm

Looks like he's lost weight from other pictures I've seen from him. Whats a carls jr?

**Thornzzz** - May 14, 2019, 2:57 pm

Gotta go with the Oreo Blizzard over the Oreo Milkshake though.

**Prettykitty** - May 15, 2019, 3:03 pm

**Mix** - May 15, 2019, 3:29 pm

here in the united ingdom we don't have a cal's Jr. So I can't relate to this sadly. but nice to see omni have fun with the weather.

**Traum** - May 15, 2019, 3:30 pm

Can't play the video for some reason, maybe because I don't have a Twitter account or something.

He looks like he lost weight, as far as I can remember from the cooking videos he did. Good for him!

Exactly my thought. Our country looks so dirty and cramped in, there's not enough space for us to have multiple fast food joints like America does. They have a fast food joint every 100 feet ?

**Pancake Boat** - May 15, 2019, 5:20 pm

Omni living life.

Wasting XP tho...

**flavoral** - May 15, 2019, 5:22 pm

I wonder if he paid for the milkshake with bytes

He used to go on Tinchat and get loaded. Then make some breakfast or some shit. Check out his Youtube channel. That dude likes to cook. Makes me hungry just thinking about it tbh.

I much prefer it over Nandos, I suppose it depends on the location and what you order.

I lied, I've never had Nandos in my life.

**int** - May 16, 2019, 5:35 pm

**StarZ** - May 17, 2019, 8:05 am

PT Cruiser? I didn't know any of them survived!

In my area, they were held hostage by every soccer-mom in denial and neglected. Take good care of that thing; It's the last of it's kind.

**Elweth** - May 17, 2019, 9:03 am

Just had their oreo milkshake yesterday, good stuff.

**Dorrance** - May 17, 2019, 9:09 am
