Glitteringloophole - May 15, 2019, 6:56 pm

How could you definitely say this is not blackhat if you said it's grayhat. That is a paradox and raises eye brows on the entire method , atleast to what I think.

JMert - May 15, 2019, 10:38 pm

How do you cash out with this method mate? And does it involve selling, reselling or chatting with anybody?

It's selling kinda but you don't have to chatt with anybody.

You cash out with paypal.

I understand what you mean. this is not even gray because it's nothing illegal. This is like out smarting.

Not to brag but this method is pretty smart. If you buy it you will understand. But if you like the good kid that don't want

to make no harm this is not anything for you. But this method is not near Black hat. I have been giving out vouchers so they gonna soon confirm ?

kopite - May 16, 2019, 2:23 am

Glitteringloophole - May 16, 2019, 6:26 am

Wre©ked - May 16, 2019, 6:27 am

Id be more than happy to take a vouch copy and leave a very detailed review!

savaged. - May 16, 2019, 7:10 am

lmk if giving out vouch copies.

Wre©ked - May 16, 2019, 7:27 am

I received a vouch copy of the method. This is my review:

First off I want to say the seller is extremely friendly and responsive. I don't see any issue in him providing great customer service and walking you through every step. He provides a very nice and well-written PDF that walks you through everything and is there for support if you still have questions afterward.

I've been around the forums for a long time and tried many different methods. I can personally say I have never seen this one anywhere. It does require "selling" a product, however, it will cost you next to nothing to get it and the return is massive. This method is definitely GREYHAT and you definitely need to know that going into it. You will definitely be taking full advantage of a flaw in a system and peoples inability to notice that flaw.

However, if you are ok with that I do really see this working. Unfortunately, I had an issue with my PayPal account and I was unable to test but I definitely will be trying it soon and I see this being something you can be extremely successful with.

Final thought: If you are ok with greyhat methods this is definitely a great pickup and you will be making your money back after the first order.

It take about 2 hour to set up. after that you autopilot 80% of the time and i would say you gonna profit 1 hour max.

S2K - May 18, 2019, 4:25 am

Provide your income from last month. Screenshot with \$600 doesn't prove anything.
I find it hard to believe it's even close to \$400 per day.

Is this CPA? How much time is required? You say only \$1 is required as investment? Is that consistent or would you get more out of it if you put more into it?

Yeah if you will get the more you invest, but you gonna make from that 1\$ to 100-500\$ minimum.

And if you invest like 5-10\$ this method is really afk. But you will understand after getting the

Ebook.

megamall - July 15, 2019, 7:53 am

I'll take a vouch copy, and actually try it.

distrology#9136 - July 19, 2019, 6:30 am

is this about SE product and selling on ebay?

mackmall - July 27, 2019, 2:01 pm

So you've been making \$400 a day since 2016 and the only payment proof you can provide is a screenshot showing you received only \$110 over a 30 day period?

Are you really going to insult the intelligence of the people in this forum like this? You'd have to be a complete idiot to think this is legit. SMDH

Pm me OP. Interested. Have a few questions

cobey321 - August 13, 2019, 12:38 pm

Can you screenshot \$400 per day for the last 7 days? Il buy after cheers

Chilled - August 13, 2019, 12:49 pm

Let's assume that I am making \$100-200/day. When does this just eventually come to a halt? Or can it be run indefinitely?

Cheers!

Lyceum - August 21, 2019, 4:38 pm

Interested but as above really, the person you gave a vouch too can't try it and the proof you've given isn't anywhere near enough.

Can you post some proof or give a copy to someone who can actually try the method and give a genuine review.
