VERY simple novice way to make money.

This isn't going to make you millions, maybe not even thousands, but you can earn a very generous amount by doing this for FREE.

Everything you make from this will be 100% profit or benefit you. All it costs is your time.

I have written a detailed guide and I've also GENEROUSLY included at least half of the work to get you started.

I will give out TWO vouch copies ONLY. (You must be established or upgraded)

Accepting BTC or XLM

Price is: \$40

Happy to take a vouch copy in exchange for an honest review (I'll actually try the method, not just say 'oh this looks like it could work')
